## DESTINATIONS

**T**his Christmas, think Tuscany – Villa Mangiacane invites guests to enjoy the holidays in its beautiful 15th century villa. Surrounded by vineyards and olive groves, this villa provides a wonderful backdrop for a snowcapped Christmas in Italy. A splendid location for celebrating the festive season, champagne is served upon arrival, followed by a traditional Tuscan Christmas feast created by a personal chef. Shuttles are provided to the exquisite Florentine Christmas fair. Other activities include exclusive use of the Nadushka Spa, hot air ballooning, wine tasting and cooking lessons.
